WHITE SOX LAUGH AT BIG HANDICAP

Five Runs Behind They Start After Philadelphia Twinklers and Pull Out Ahead.

CLEAN HOUSE IN THE 5TH INNING

One Had Thrown Fabulous The Cubs and Giants Galloping to the Wire With the Rubber.

Chicago, May 20.—Far be it from these Sox to worry over trifles. Back to the mitty, dark days of the long ago our pale-faced pastimes counted that game lost when Mack's legion gained a five-run advantage, but times have changed. One of these handlings hung upon the Rowlanders at Comiskey park yesterday merely roused their fighting spirit and in a widely exciting eighth-inning rally they trampled rough-shod over the tattered Athletics, winning the wind-up, 7 to 1.

Eleven members of the South Side crew paraded to bat in the historic eighth. Five drew passes, two climbed singles, another unhooked a two-bagger, still another sacrificed, and to make the rally a thing of beauty, two went on McGillicuddy's par rail perforated costly errors. Five runs blossomed from the wreckage and chances are the visiting might have gone on indefinitely if Weaver hadn't batted, leaving the base lines choked. Score:
